Integrated Management System Policies

The Brazilian Pilotage Institute acts as a training center for pilots and pilotage station operators, offering advanced simulators and technical training programs for public organizations and companies in the maritime and port sector. We offer high-tech and reliable services. Our commitment is to **excellence, sustainability and safety** in all our operations, with national coverage.

Our Commitments:

1. Quality

- We guarantee the quality of the services provided; we understand the needs and expectations of our customers.
- We are committed to continuous improvement in our processes; and
- We meet the requirements of the management system and quality objectives, in constant critical analysis and in accordance with the applicable standards and requirements.

2. Environment

- We minimize the environmental impact of our activities through sustainable practices, promoting the efficient use of natural resources, preventing pollution, and protecting the environment.
- We identify, assess and minimize the environmental impacts associated with our operations.
- We are considering the effects of climate change on our operations; and
- We are committed to continuous improvement and compliance with applicable legal requirements.

3. Health and Safety

- We guarantee the necessary resources to protect the health and safety of our employees and people involved in our operations.
- We identify, assess and minimize the risks associated with our operations, ensuring a safe and healthy work environment for all employees.
- We consult and offer conditions of participation to employees and their representatives; and
- We are committed to continuous improvement and compliance with applicable legal requirements.
